

Whitey Eco COB100

Specification sheet

WW

The Whitey Eco COB 100 spot is the most affordable front led light from GLG. Equipped with a 100 watt warmwhite led (+/- 3200 Kelvin). Therefore the Lightoutput is comparable with a 300 Watt conventional Halogenlamp. The stable housing and double Bracket makes this LED fixture perfect for allround Rental and Installation.

GLG Eco Line Everybody a GLG!
